### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance:

With respect to the instant claims, US Application 10/526384 of which is published as US 20060189160 A1 the claims now present raise the issue of obvious double patenting. The examiner has followed recommended procedures set forth in MPEP 1490. US Application 10/526384 and the instant application have the same filing date. The instant application has only two of the four applicants on US Application 10/526384. Thus, because fewer inventors are given and one less step in the method given in the instant application, the examiner holds US Application 10/526384 to be an improvement over the instant application. No other issues remain.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Cynthia Hamilton whose telephone number is 571-272-1331. The examiner can normally be reached on Monday through Friday 8:30 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cynthia H. Kelly can be reached on (571) 272-0729. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
